Degree of public disclosed major environmental metrics per sector

EMISSIONS

58% of the companies active in ECoLibri's Library disclose their absolute CO2 emissions (Scope 1 & 2).
 Energy, Equipment OEM, Industrial Tapes, Paper & Packaging, Staffing & Security, Starch and Waste Recovery score better than average.
 The leader is **WASTE RECOVERY**, while **PLASTIC & FILMS, STRAPPING** discloses very limited data.

ENERGY

48% of the companies active in ECoLibri's Library disclose their absolute Energy consumption.
 Adhesives, Energy, Equipment OEM, Parts & Services, Forestry, Industrial Tapes, Paper & Packaging, Staffing & Security, Starch and Waste Recovery score better than average.
 The leader is **STARCH**, while **PALLETS** discloses zero data.

WASTE

39% of the companies active in ECoLibri's Library disclose their absolute Waste generation.
 Adhesives, Energy, Equipment OEM, Parts & Services, Industrial Tapes, Paper & Packaging score better than average.
 The leader is **INDUSTRIAL TAPES**, while **PALLETS** discloses very limited data.

WATER

43% of the companies active in ECoLibri's Library disclose their absolute Water consumption.
 Adhesives, Energy, Equipment OEM, Parts & Services, Industrial Tapes, Paper & Packaging and Starch score better than average.
 The leader is **INDUSTRIAL TAPES**, while **PALLETS** discloses zero data.
